FUNDRAISING COMMITTEE REPORT UPDATED

Year-end report September 30, 2026

This report summarizes the Fundraising Committee's activities from its formation in June 2026 through September 30, 2026.

1. FUNDRAISING

- a. The Committee was established in June 2026.
- b. Developed a fundraising strategy that begins with the Youth Program and leads into development of the proposed indoor centre under the theme "Grow the Game, Build the Future." The strategy focuses on two priority projects: expanding the Youth Program and advancing the proposed new facility.
 - a. Youth Program — Built on three years of successful programming in elementary and secondary schools and identified opportunities to support its continued expansion through fundraising.
 - b. New Facility — Waiting for a signed MOU with the SCRD, targeted for mid-2027, before launching a facility fundraising campaign.

2. GRANTS

- a. Updated the Grant Master Plan to identify available funding opportunities and track application deadlines.
- b. Obtained a grant from Sunshine Coast Financial to help cover Arena Bowl costs

3. DONATIONS

- a. Reached out to several registered donees and foundations to partner with so that donations made to SCPA can receive a tax receipt. Will keep working on this in 2027.
